### Late Check-Ins

The NMS tardy bell rings at 8:05am. If your child arrives at school after 8:05am, he/she must be walked into the main office by an adult. Students should not be dropped off alone after 8:05am.

### Laptop Agreement

If you have not already, please complete the laptop agreement for your child, so he/she can receive his/her laptop.

[Laptop Agreement](#)- This form has to be completed before your child can receive his/her laptop.

### COVID Reminders

**Please help us keep our students and staff healthy and safe!**

**If anyone in your household is exhibiting symptoms related to Covid (Fever, Chills, New Cough, New Loss of Taste or Smell, Shortness of Breath or Difficulty Breathing, Nausea, Headache), please keep your child at home and contact our office for further instructions.**

## Immunization Information

Dear Parent/Guardian,

The purpose of this email is to inform you of immunization requirements that will impact rising Kindergarten, 7<sup>th</sup> grade, and 12<sup>th</sup> grade students. The attached documents list what immunizations are required upon entry to these grades. With school starting in only a few weeks, Person County Health Department strongly encourages you to beat the rush on getting your child vaccinated (if this applies to your child). To schedule an appointment to get your child vaccinated, contact the Health Department (336-597-2204) or your health care provider.

You will have 30 calendar days from the first day of school to provide the required up-to-date vaccination record for your child. If proof of vaccination is not provided by the end of the 30 calendar day period, your child will be suspended from school until they provide proof of vaccination as required by law.

Save yourself some stress by getting this done now and out of the way. Don't wait, vaccinate!

Sincerely,

Your friends at Person County Health Department
