

Person Early College Parent Meeting October 28th, 2019
In attendance:

ITEM	DISCUSSION
	<p>A Parent meeting was held in S100 following the Maverick Meeting. Mrs. Johnson noted to all in attendance that we were officially moving into a parent meeting, anyone who wanted to participate was encouraged to stay. She noted the primary reason for the meeting was to have parents in attendance discuss whether it may be better to meet as one collective group. Do we want to organize in some new way? Do we want to discuss better ways to work together? Etc. At this time, there is a general parent organization, a fundraising group, and a teacher appreciation group.</p>
	<p>Mrs. Johnson noted that the Krispy Kreme fundraiser was not a success, but we sent home a new fundraiser last Friday.</p> <p>Heidi Mize asked about this fundraiser, noted she is available and has a desire to help with fundraising. Several questions were asked about what was decided on at the last parent meeting. We pulled up and reviewed the minutes from that meeting on the overhead projector.</p> <p>Items we reviewed from September meeting included:</p> <ul style="list-style-type: none"> - The school would like to raise money for PROM, students and families with classroom needs, general field trips, and a bus for the Senior Trip to Carowinds - Fundraiser ideas were discussed and a decision was made to try a donation fundraiser. The structure of this was organized, including timeframes, rewards, parent responsibilities/jobs, and Etc - Parent discussion about whether we wanted to form an official parent group, or a PTO type of organization, etc. At the September meeting, it was agreed that we would work on our parent group, but not form an “official” organization. - Mrs. Graves indicated these minutes and the meeting invite went out over email. One parent noted last year there was a Facebook group set up, that may also be a good place to update parents. Tammy Rokose confirmed this and noted she would collect information regarding parents who want to be added. We are not sure who has admin. Tammy will work to see if a copy of the minutes from last meeting and future meetings can be linked there. <p>Several parents spoke up with a willingness to join whatever group we arrange. Heidi suggested any parent willing to help stay after the meeting and she would collect contact information from them. Heidi noted she would be willing to run the Parent Partnership group. She is also willing to do a sign-up genius when needs arise like Teacher Appreciation Week, etc.</p> <p>Tammy Rokose volunteered to manage our group’s membership. She will also work on membership in smaller groups for fundraising, PROM, and Teacher Appreciation. Kim Griffin said she would help as well.</p> <p>Heidi collected names and contact information after the meeting, will reach out to parents.</p> <p>Stacy Hill agreed to type up notes from tonight’s meeting.</p>

	Our next meeting will be Nov. 14 th , at 5pm

Respectfully submitted by Stacy Hill
