FISHING WITH A COP DAY!

Hyco Lake Campground - 205 Kelly Brewer Road - Leasburg, NC 27291

Law Enforcement Agencies from the local area will be here to enjoy a relaxing day. We are inviting children of all ages to come out and get to know their local officers, while experiencing an enjoyable time of fishing and fun. There will be fire trucks and boats for viewing, educational booths and activities for the children. A hamburger/hotdog lunch will also be provided. We will have fishing rods available or you can bring your own. Come join us for this free family event.

A special thank you to our Law Enforcement Agencies and Sponsors:
