

Athletic Transportation Permission Form

For the safety of your child, we have decided to require you to include a list of people that may transport your child from athletic contests. If their name is not on this list, the coach will not release that child to ride home with that individual. This is for the safety of your child.

I give my son/daughter _____
permission to ride home with:

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

Please understand that you may be asked to show identification by the coach to take the athlete home! Any questions you may have can be directed to PHS Athletic Director, Jeremy Clayton.

Thank you,
Jeremy Clayton
